Graduation Plan Updates <i>(date when completed)</i>	9 th Grade	10 th Grade	11 th Grade	12 th Grade

Graduation Planning

Beginning in grade 9 and continuing through high school graduation each student is required to develop and maintain a Graduation Plan. The plan is developed by the student with district with parent involvement and updated each school year. The plan should address each student's academic pathway to meeting graduation requirements*. Courses listed in this plan should be individualized to meet each student's educational and career goals.

Path to Graduation

First: Cover The Basics - Students will satisfy Ohio's basic curriculum requirements and any additional local requirements. Students will complete the state minimum 20 credits, with specific credits required in each content area. Students will also need to meet any additional district curriculum requirements/credit requirements for graduation.

Second: Show Competency – Students will earn a passing score on Ohio's Algebra I and English II tests. If students do not pass the tests, they will be offered additional support and retake the test at least once. If testing is not a student's strength, there are three alternate options to show competency:

- Alternate Competency Option 1: College Credit Plus – Earn college credit in a non-remedial Math or English course (for the subject not passed to demonstrate competency)
- Alternate Competency Option 2: Career/Technical - Demonstrate Two Career-Focused Activities (at least one of the two activities must be foundational)
 - Foundational Activities:
 - Proficient or higher scores on 3 or more WebXams in single career pathway
 - Earn a 12-point industry-recognized credential or group of credentials totaling 12 points in a single career field
 - Complete a pre-apprenticeship or, for students ages 18 and older, show evidence of acceptance into an apprenticeship program after high school
 - Supporting Activities:
 - Complete 250-hour work based learning experiences with positive evaluations
 - Earn the workforce readiness score on WorkKeys
 - Earn the OhioMeansJobs Readiness Seal
- Alternate Competency Option 3: Military Readiness - Enlist in the Military with evidence of a contract to enter a branch of the U.S. Armed Services upon graduation

Third: Show Readiness – Students will earn at least two diploma seals that correlate with goals and interests. At least one of the two seals must be state defined.

*Detailed information regarding Ohio's Graduation Requirements can be found on The Ohio Department of Education Website.

Graduation Plan

Students: Work with your school counselor, teacher, and parent or guardian to complete the graduation plan. The choices below are a proposed plan and should be based on your own specific and individual pathway toward meeting graduation requirements. The plan will be adjusted and updated each year. You must earn a minimum of 20 credits in specified subjects and take your required tests. Your district may require addition courses and credits beyond the basic state requirements. Then, decide how you will round out your diploma requirements.

Set Goals

Designate your post-high school plans. If you are unsure, leave blank to be updated at a later time. (Examples: I plan to find a job in customer service, or I plan to further my education in college, or I plan to enter into a welding apprenticeship.)

- ☐ Workforce/Apprenticeship
☐ Four-Year College/University

- ☐ Two-Year College/Technical Training
☐ Military

Goal 1:	
Goal 2:	
Goal 3:	

First: Cover the Basics

Fill in your future course selections based on your interests and future goals. Your choices will be reviewed each year and can be updated anytime. You must earn a minimum of 21 credits in specified subjects. Your district may require additional courses and credits.

English Language Arts	4 Credits
Mathematics	4 Credits
Social Studies	3 Credits
Science	3 Credits
Physical Education	1/2 Credits or PE Waiver
Health	1/2 Credits
Electives	6 Credits

**Two semesters of fine arts and instruction in economics and financial literacy is also required*

Second: Show Competency

Demonstrate Competency: Earn a passing score on Ohio's high school Algebra I and English II test. If you do not pass the test, additional support will be offered and you will retake at least once. If testing is not your strength, there are additional ways to show competency (see Alternative Options On Next Page).

Alternative Options to Demonstrate Competency: There are three Alternative Options to demonstrate competency if you do not earn a competency score on state tests. The options are listed below. Complete the charts below to designate if you will be utilizing any of the options.

Option 1

Demonstrate Two Career-Focused Activities: At least one of these skills must be foundational

Foundational				Supporting		
Industry-Recognized Credentials				Work-Based Learning (250 Hours)		
A 12-point approved industry recognized credential or group of credentials totaling 12 points in a single career pathway are required.	Credential Earned	Points Earned	Dated Earned	A minimum of 250 hours with evidence of positive evaluations is required.	Planned Experience	Date Earned
WebXams				WorkKeys Assessment		
List WebXams Scores here. Proficient scores are required	Exam Scores	Date Earned		List WorkKeys Scores here. Required score must be earned.	Total Test Score	Date Earned
					Applied Math	Date Earned
					Workplace Documents	Date Earned
			Workplace Literacy	Date Earned		
				OhioMeansJobs-Readiness Seal	☐ I have complete the requirements to achieve the OhioMeansJobs-Readiness Seal	

Option 2

Show evidence that you have signed a contract to enter a branch of the U.S. armed services upon graduation.

☐ Army	☐ Marine Corps	☐ Navy
☐ Air Force	☐ Coast Guard	☐ Space Force

Option 3

Earn credit for one college level Math and/or college level English course through Ohio's free College Credit Plus program.

☐ College Level Math	☐ College Level English
List Course:	List Course:

Third: Show Readiness

Select the graduation seals you plan to complete (two seals are required for graduation). Select TWO or more seals. At least ONE seal must be a state defined seal.

<u>State Defined Seals</u>	<u>Local/District Seals</u>
☐ OhioMeansJobs Readiness Seal	☐ Community Service Seal
☐ Industry-Recognized Credential Seal	☐ Fine and Performing Arts Seal
☐ College-Ready Seal	☐ Student Engagement Seal
☐ Military Enlistment Seal	
☐ Citizenship Seal	
☐ Science Seal	
☐ Honors Diploma Seal	
☐ Seal of Biliteracy	
☐ Technology Seal
