

College Credit Plus Sample Pathways

These pathways represent potential ways students may earn college credit at Hillsdale High School. It is important to remember these are only examples and do not represent any sort of required coursework. Each student's educational journey is unique to them and may be customized within the parameters of their daily schedule and the requirements of each program. These courses are guaranteed to transfer under the Ohio Transfer Module (applies to any degree). This is just a sample and there are numerous courses that could apply to these pathways.
