Need help paying your energy bill?

Financial Assistance Programs Available

Programs exist to help with utility costs.

On October 1, 2021, Utility Assistance programs were expanded for a two-year period to better assist those impacted by the continuing pandemic.

Income guidelines for assistance programs have been increased to allow more households to be eligible. For example, a family of 4 can make up to \$106,000 and be eligible to receive assistance. In some cases, entire past due balances may be erased. Information on all available programs can be found on our website at

www.elizabethtowngas.com/residential/energy-assistance

Masks

In accordance with updated New Jersey Department of Health (NJDOH) recommendations, quarantine time frames have been reduced from ten days down to five days.

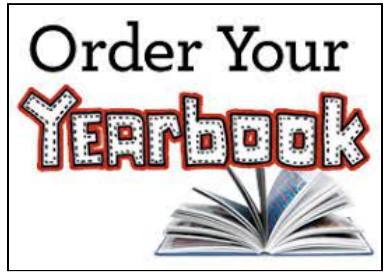

Individuals who need to quarantine are able to return on day six if they do not have symptoms of illness. If you have already been placed into a ten day quarantine, you can now return on day six if you do not have symptoms of illness. If symptoms persist (fever or if other symptoms have not resolved), continue to isolate until fever-free for 24 hours and other symptoms have resolved.

Please also be aware that beginning March 7, 2022, masks will be optional for students, staff, and visitors at the Sussex-Wantage Regional School District. Please be advised, masks will now also be optional on buses beginning March 7th.

Please don't hesitate to reach out to me with any questions or concerns.

Please be advised that for the foreseeable future, we are not permitting class treats (food items) to be brought in for things like birthday parties. In the alternative students may bring in non food items for birthday celebrations. We are very sorry, but this is a proactive measure in response to COVID-19. At this time, we are also not able to facilitate outside social gatherings such as parties. We understand that this is less than ideal and we apologize for any inconvenience that this may cause.
