Principal's Message

Family Life

During the week of April 29th, 2024 we will be covering Family Life during Health Education with the fifth grade students.

The Family Life Code includes a provision for excusing a student from any portion of the program.

“Any pupil whose parent or guardian presents to the school principal a signed statement that any part of the instruction in Family Life Education is in conflict with his/her conscience or sincerely held moral or religious beliefs, shall be excused from that portion of the course where such instruction is being given and no penalties as to credit or graduation shall result there from.”

If you do NOT wish for your child to participate, send an email in that regard to Mr. Gregory at cgregory@swregional.org. Please be sure you receive confirmation that your request was received.

If there are any questions or concerns related to the curriculum, please feel free to contact Mrs. Thiele at dthiele@swregional.org.
