**Students buy items for food pantry**

In the spirit of Thanksgiving and giving back, members of the Autism Spectrum Disorders program at Wantage Elementary School went to ShopRite to buy items for the local food pantry. They used money collected by teachers. In preparing for the trip, the students counted the money collected, looked through ads and prepared a shopping list. They were able to purchase stuffing, corn bread mix, pasta, turkey gravy, green beans, corn, cranberry sauce, juice, cake and cookie mixes, and potatoes.

**Congratulations to our 5th Grade Chorus, Advanced Chorus & Band for a Spectacular Winter Concert!!**

*Please ensure children are dressed for the Cooler Temperatures. We prefer to have outside recess/physical education classes whenever possible and want all students to be dressed appropriately.*
