In order to safeguard the school community from the spread of certain communicable diseases and in recognition that prevention is a means of combating the spread of disease, the Board of Education requires the immunization of pupils against certain diseases in accordance with state statute and rules of the New Jersey State Department of Health and Senior Services.

Physician documentation of these vaccines must be submitted to the certified school nurse prior to entrance into school in September. Parents must contact the office prior to the start of the 2022 - 2023 year if a provisional entrance is needed.

All 6<sup>th</sup> grade students must be in compliance. Documentation of immunizations may be hand delivered, faxed or mailed to the Sussex Middle School Main Office.
