Principal's Message

I hope this Newsletter finds everyone well and in good health.

For the final week of school, regular day in-person instruction will be held Monday and Tuesday while Wednesday, Thursday and Friday will run on an early dismissal schedule with lunch.

This year's Fifth Grade Awards ceremony will consist of one video presentation which will include all of our awards. The video will be posted on Thursday, June 17th so students can view the video synchronously with their class. The video will then be posted for students and families to view at their leisure at the end of the day.

As always, please don't hesitate to reach out to me with any questions, concerns or any ideas you would like to share. I appreciate your continued support and involvement in the learning process.

Sincerely,

Christopher Gregory
Principal
