Principal's Message

Happy New Year!

I hope this Newsletter finds everyone well and in good health.

At this time, we will be continuing with all remote instruction on Monday, January 11th through Friday, January 15th.

Students should continue to participate in their classes via "Google Classroom" and through "Google Meets."

It is also important for students to participate in special area classes (Art, Band, Library, Music, Physical Education, Spanish and Technology) via "Google Classroom." **During all remote instruction time periods, optional "Special Area" Google Meets will be provided for students in alignment with their schedules.** Links to special area Google Classrooms can be obtained from the classroom teachers or directly from special area teachers. Please reach out to your child's teacher with any questions regarding class assignments or expectations.

Please don't hesitate to reach out to me with any questions, concerns or any ideas you would like to share. I appreciate your continued support and involvement in the learning process.

Sincerely,

Christopher Gregory
Principal

We respectfully request that children exit the vehicle on the passenger side closest to the building for safety. Temperature checks will be taken prior to entering school.

For pick up, parents and guardians should park on the lower lot or near the playground. **All pick up is located in the cafeteria.** Pick up begins at 3:20 pm. Please have identification available when you pick up your child.

The parking area for pick up will be closed until 3:10 pm. We respectfully request that you do not arrive before then. We appreciate everyone's support with our procedures to ensure the safety of all of our students.
