## Principal's Message

I hope this Newsletter finds everyone well and in good health.

As you are aware, beginning Wednesday, November 25th the Sussex-Wantage Regional School District switched to *full remote instruction* through Friday, December 11th. Although this period of remote instruction may eventually be extended based on DOH recommendations, at this time, we hope to resume in person instruction on Monday, December 14th while continuing to follow our cohort A or B model.

During this remote learning transition, students are expected to participate in their classes via "Google Classroom" and through "Google Meets." It is also important for students to participate in special area classes (Art, Band, Library, Music, Physical Education, Spanish and Technology) via "Google Classroom." Links to special area Google Classrooms can be obtained from the classroom teachers or directly from special area teachers. Please reach out to your child's teacher with any questions regarding class assignments or expectations.

Please don't hesitate to reach out to me with any questions, concerns or any ideas you would like to share. I appreciate your continued support and involvement in the learning process.

Sincerely,

*Christopher Gregory*  
Principal
