Happy Thanksgiving!

Clean: Always wash your hands, cooking surfaces, fruits, and vegetables. Do not rinse raw poultry before cooking.

Separate: Use different cutting boards as you prepare. Don't let bacteria spread from one food to another.

Cook: It is the internal temperature of the food that determines if it is done. Color is not an indicator of doneness.

Chill: Leftovers should be put in the refrigerator within two hours of finishing your meal to stop the growth of harmful bacteria.

Drop Off & Pick Up

Please be advised that drop off is in the rear of the building and occurs between 8:15 a.m. and 8:45 am. Please exercise caution when dropping off your children. We respectfully request that children exit the vehicle on the passenger side closest to the building for safety. Temperature checks will be taken prior to entering school.

For pick up, parents and guardians should park on the lower lot or near the playground. **All pick up is located in the cafeteria.** Pick up begins at 3:20 pm. Please have identification available when you pick up your child.

The parking area for pick up will be closed until 3:10 pm. We respectfully request that you do not arrive before then. We appreciate everyone's support with our procedures to ensure the safety of all of our students.
