Principal's Message

5th Grade Spring Concert Outstanding Performance!

Tips from the Team

SmartPhone and Tablet Screen Recommendations

- Avoid screens 1 hour before bed.
- Excess screen time can lead to obesity in all ages, as well as cognitive, social, and language delays in young children.
- Excessive media use by parents can decrease communication and interaction with children, and may affect the parent child relationship.
- Have "tech free" times like mealtime and bedtime. Have children charge devices in a place other than their bedroom.
- Do not use screens to calm your child. Young children can become dependent on screens for entertainment and calming, and will not learn to self-calm.
- Take "eye" breaks. Optometrists recommend looking away from the computer every 20 minutes for 20 seconds at an object 20 feet away.
- Play and interact with your child. Let them learn through play, and develop relationships through interactions.

Drop Off & Pick Up

Note: Please wait for the school bus to come to a complete stop with the red lights flashing prior to letting your children approach the bus.

Just a reminder that students are not permitted to take pictures or record videos while on the school bus.

Please be advised that drop off is in the rear of the building and occurs between 8:15 a.m. and 8:45 am. Please exercise caution when dropping off your children. We respectfully request that children exit the vehicle on the passenger side closest to the building for safety.

For pick up, parents and guardians should park on the playground and walk to the doors nearest the fence. Pick up begins at 3:24 pm. Please have identification available when you pick up your child.

The parking area for pick up will be closed until 3:10 pm. We respectfully request that you do not arrive before then. We appreciate everyone's support with our procedures to ensure the safety of all of our students.

@ American Academy of Pediatrics
