## Tips from the Team

The poison center reminds everyone that poisonings are easily preventable. We recommend you take the following simple and quick safety precautions.

- Be prepared for an emergency. Keep the national, free Poison Help line at your fingertips by saving the number in your mobile phone. 1-800-222-1222 | [www.njpies.org](http://www.njpies.org)
- Practice safe storage habits. Always store medicines, hazardous chemicals/substances and foreign bodies where children and pets cannot reach them. Keep them locked up, out of sight, reach and in their original child-resistant containers.
- Read and follow all labels and directions. Review medicine and product labels before use, especially before giving medicine to children.
- Detect invisible threats. Have a working carbon monoxide (CO) detector in your home. Check batteries two times a year during Daylight Savings. Don't forget your smoke alarm too.

## Drop Off & Pick Up

**Note:** Please wait for the school bus to come to a complete stop with the red lights flashing prior to letting your children approach the bus.

**Just a reminder that students are not permitted to take pictures or record videos while on the school bus.**

Please be advised that drop off is in the rear of the building and occurs between 8:15 a.m. and 8:45 am. Please exercise caution when dropping off your children. We respectfully request that children exit the vehicle on the passenger side closest to the building for safety.

For pick up, parents and guardians should park on the playground and walk to the doors nearest the fence. Pick up begins at 3:24 pm. Please have identification available when you pick up your child.

The parking area for pick up will be closed until 3:10 pm. We respectfully request that you do not arrive before then. We appreciate everyone's support with our procedures to ensure the safety of all of our students.

## Food of the Month

We will be partnering with ShopRite in Franklin to host this great program that encourages your children to taste new fruits and vegetables. It will be held on the last Tuesday of the month from January to May. ShopRite donates an unusual fruit or veggie and our wonderful PTO parents with supervision from our cafeteria staff, washes and cuts it up for students to try. No students are forced to taste the food and staff are aware of all allergies!

This is a fun way to introduce new foods to your children!

We also send home information about the food of the month and a recipe to try.

If you have any concerns or questions please call or email Mrs. Fisher: 973-875-3176 or [dfisher@swregional.org](mailto:dfisher@swregional.org)
