Principal's Message

To celebrate World Read Aloud Day, Mrs. Longo's fifth grade ELA and Mrs. Schnetzer's third grade met and enjoyed taking turns reading aloud!!

Tips from the Team

Wantage School is starting a fun and informative program called the "The Race to Good Nutrition" to help your child build better eating habits.

Over the next six weeks (February 25th- April 5th), your child will learn about 'My Plate' and the five food groups that help them grow and develop. Visit www.choosemyplate.gov/MyPlate to learn more.

It's easy for your child to "win" in the Race to Good Nutrition". There will also be a friendly competition among classrooms.

This program is voluntary. More detailed information will be sent home with students.

If you have any concerns/questions please call or email Mrs. Fisher: 973-875-3176 or dfisher@swregional.org

Drop Off & Pick Up

Note: Please wait for the school bus to come to a complete stop with the red lights flashing prior to letting your children approach the bus.

Please be advised that drop off is in the rear of the building and occurs between 8:15 a.m. and 8:45 am. Please exercise caution when dropping off your children. We respectfully request that children exit the vehicle on the passenger side closest to the building for safety.

For pick up, parents and guardians should park on the playground and walk to the doors nearest the fence. Pick up begins at 3:24 pm. Please have identification available when you pick up your child.

The parking area for pick up will be closed until 3:10 pm. We respectfully request that you do not arrive before then. We appreciate everyone's support with our procedures to ensure the safety of all of our students.

Food of the Month

We will be partnering with ShopRite in Franklin to host this great program that encourages your children to taste new fruits and vegetables. It will be held on the last Tuesday of the month from January to May. ShopRite donates an unusual fruit or veggie and our wonderful PTO parents with supervision from our cafeteria staff, washes and cuts it up for students to try. No students are forced to taste the food and staff are aware of all allergies! This is a fun way to introduce new foods to your children! We also send home information about the food of the month and a recipe to try.

If you have any concerns or questions please call or email Mrs. Fisher: 973-875-3176 or dfisher@swregional.org
