## Caring Student

Each year the Sussex County School Counselors Association awards one 8th grade student with the Caring Student Award. This award is given to a student who demonstrates the values of helping and caring in human relationships.

The faculty and staff at Sussex Middle School nominated a number of 8th grade students for this year's award, but only one winner could be voted for. On behalf of the Sussex County School Counselors Association and the SMS faculty and staff it is our privilege to announce this year's winner, Loren Cayer.
