## Parent Drop Off Solar Panel Lot

The safety of our students and staff is our highest priority. If you drive your student to school, please drop off your student in the solar panel parking lot between 8:15 a.m. and 8:35 a.m. Please do not utilize the main parking lot to drop off your student during the above timeframe as it creates potentially hazardous conditions both for our students and our bus drivers.

## Walkers

All walkers at Sussex Middle School should utilize the following walking route: Newton Ave to Main Street. There are crossing guards positioned at the intersection of Newton Ave and 23 as well as the intersection of Route 23 and Route 284.

## Nurse's Corner

As a reminder, the nurse must have a current sports physical for the 2021-2022 school year on file in the health office in order for your child to participate in any extracurricular sports.

Please ensure that your child has a *reusable* water bottle with them. This will assist with daily operations at the water stations as well as in the nurse's office.

Please be aware that as of Tuesday, January 18th, we made a change to our isolation and quarantine timeframes. In accordance with updated New Jersey Department of Health (NJDOH) recommendations, we will be reducing our quarantine time frame from ten days down to five days.

Individuals who need to quarantine will now be able to return on day six **if they do not have symptoms of illness**. If you have already been placed into a ten day quarantine, you can now return on day six if you do not have symptoms of illness. If symptoms persist (fever or if other symptoms have not resolved), continue to isolate until fever-free for 24 hours and other symptoms have resolved.
