Volunteer Opportunities

The Lawrence School has community service hour opportunities. Beginning July 9th through August 2nd, middle school and high school students may work with students grades K-2 to assist them in improving their math, reading and language skills. Jobs would include listening to students read, playing math, phonics and sight word games, supporting students on the computer with educational activities and assisting with preparing materials. The program will be in session four days per week, Monday through Thursday 8:30 a.m.-12:15 p.m. Teachers will work with your child's schedule and they may work as many hours as they wish. Contact the Lawrence School at 973-875-8820 or email agerwald@swregional.org or smaas@swregional.org.
