This time will be dedicated to providing students with an opportunity to work on 7th grade Math Skills outside of school hours. This program began on Monday, March 19th and will run Monday through Thursday from 7:45 a.m. - 8:15 a.m. The program will conclude on Thursday, May 31st. Please call the main office if you would like an additional permission slip for your child.

## PTO

Please consider joining our District Parent Teacher Organization. It is an extremely active organization that has had a profoundly positive impact on our district.

## Homework Club

Homework Club began on Tuesday, September 26th. Permission slips for Homework Club were sent home with students last week. Homework Club will run on Tuesdays, Wednesdays and Thursdays from 3:30 p.m. until 4:30 p.m. This is a great chance for students to complete their work in the building away from distractions that may occur at home. This time will be monitored by our teachers which will allow students to have an opportunity to get help and instruction.
