Nurse's Corner

A wonderful opportunity is knocking at the Sussex-Wantage School District's door! A Mobile Dental Clinic, Zufall Health Center, which provides dental services, will be coming to **Sussex Middle School** sometime in April (date to be determined).

This is an opportunity which is available to **all** of our students. We realize that some of our students may not have dental insurance, and those who have NJ Family Care and Medicaid have limited options, because only a few local dentists accept this type of insurance. **In order for your child to be seen, it has to be more than six months since your child has been to a dentist.**

If you have private insurance, and would like your child seen, please call the Zufall Center for that information @ 973-862-6650. If your child has no dental insurance the first visit is free. Students who have Medicaid will be fully covered. They will be providing dental exams/screenings, cleanings and x-rays. Your child will receive dental health education and a free toothbrush!

Please consider taking advantage of this wonderful opportunity knocking at our door. Sign your child up today! **The deadline to register is Friday, March 23, 2018.** Please complete the attached application and return it to Mrs. Anderson.

Any questions and/or concerns in relation to this visit, please feel free to call Mrs. Anderson at the number listed below. I am looking forward to seeing lots of bright and wonderful smiles in our school soon.

Zufall Health dental service registration forms are due Friday, March 23, 2018.
