Mobile Dental Clinic Zufall Health Center,
which provides Dental services will be coming to
Wantage Elementary School
on Wednesday, December 19th
from 9:00 AM to 2:00 PM.

This is an opportunity which is available to all students. In order for your child to be seen, it has to be more than six months since your child has been to a dentist. Please take advantage of this wonderful opportunity. Be sure to sign up your child by December 14th. Feel free to call Mrs. Fisher, WES nurse, with any questions or concerns.

Please ensure children are dressed for the Cooler Temperatures. We prefer to have outside recess whenever possible and want all students to be dressed appropriately.

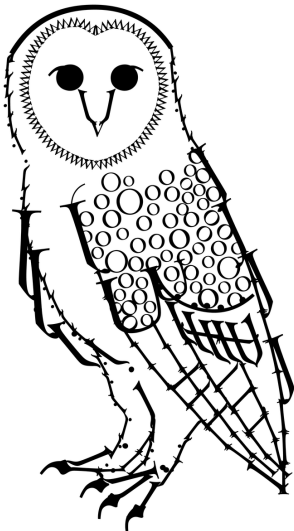

Winter Raptor in the Refuge

Live hawks and owls will be featured in the program at Wallkill River National Wildlife Refuge on Friday, December 28. The indoor talk introducing the raptors that winter in the refuge will start at 2 PM at 136 Owens Station Road, Sussex, New Jersey. The whole family will get close looks at these incredible birds. There is a suggested donation of \$2 per person, \$5 per family for the talk. Donations support the Friends of Wallkill River, a nonprofit organization that offers public programs at the refuge throughout the year.

People are invited to come early to view the photos entered in the refuge photo contest and vote for their favorite. Doors will open at 1 PM. Complimentary hot chocolate will be available for all.

Following the talk, Ken Witkowski will lead a group to nearby Liberty Marsh to look for raptors. Northern harriers, red-tailed hawks, falcons, eagles, and owls are often seen in the marsh hunting for prey. Dress warmly for this part of the program and bring binoculars. The refuge also has some binoculars to loan to anyone who needs.

For more information check the website www.friendsofwallkillriver.org or phone the refuge at (973)702-7266 ext. 18.
