

# Get care and get back to it

**MyChoice™ Find a Provider** is the fastest, smartest way to find and book healthcare. Skip the endless research, skip the phone tag, and get back to the moments that matter.

# Unlock personalized healthcare navigation

MyChoice Find a Provider is **100% free** for you thanks to NJ SHBP / SEHBP.

## One-time account setup

Log into your MyNJ Benefits Hub account, then click on the **MyChoice Find a Provider** widget on the homepage. We'll walk you through a few quick questions to confirm your account details.

**Pro tip:** You'll still need to go through this step, even if you have an existing Amino account.

With MyChoice Find a Provider, it's easy to search for in-network doctors and facilities, compare options by cost and quality, book appointments 24/7, and access relevant health benefits programs when you need them most.

**“It's easy to use and super convenient, especially during a busy work day.”**

– MYCHOICE FIND A PROVIDER USER

Visit the **Find a Provider tab** in Benefitsolver or the MyChoice App whenever you need healthcare.
