### Dye Elementary Compact: Student-Parent-Teacher

We know that learning can take place only when there is a combined effort between the home and school. We are all committed to helping each student progress in school. This agreement is a promise to work **together**. We believe that this agreement can be fulfilled with a team effort. **Together** we can improve teaching and learning.

We are **ALL** committed to working towards our school's improvement goals: **All students will improve their ability to read and understand grade level text, improve their ability to write clear and coherent responses, and improve their math fluency and problem-solving strategies as we continue to improve behaviors to ensure all students are able to fully benefit from classroom instruction.**

#### As a student, I will:

work hard every day and do my best

attend school every day unless I am sick or have an appointment

ask my teacher questions when I do not understand something

follow the **ROCKS** rules:

**Respect**

**Own** your behavior

**Come** prepared

**Knowledge** is power

**Safety**

#### As a parent or guardian, I will:

talk with my child about school daily

send my child to school daily and on time, unless my child is sick

check on the progress of my child by talking to the teacher or checking online platforms such as Parent Vue, Class Dojo, Google Classroom, etc.)

encourage learning at home and reinforce the school rules

support school routines and expectations

#### As a teacher, I will:

practice mindfulness and build positive relationships with my students and their parents

accept all students where they are, encourage growth, & high academic standards while providing high quality teaching

provide structures and routines to support students who learn at different rates and in different ways

provide a safe and challenging learning environment to help students achieve to their highest ability

encourage and accept the involvement of parents with regular communication

We have read the Elementary School handbook on our school website. We have read the Acceptable Use Practices and have discussed them. We agree to abide by them in using the computer, internet and technology resources. Most importantly, we promise to help each other carry out this agreement.
