Student Parking Registration

Driving to school is a privilege and most students do so out of necessity for a job or after school involvement. Your cooperation and help will provide for a safe parking lot accessible to students. Students who drive a car to school must know and follow the rules below, per *Administrative Guideline 5514 - Use of Motor Vehicles*.

1. Students must register their vehicle each school year. Non-registered cars may be ticketed or towed away at the owner's expense.
2. Students shall provide a copy of the following:
 - A. copy of their driver's license;
 - B. insurance certificate; and
 - C. registration.
3. Each student who drives must park in the designated student parking area.
4. Each student must display a parking permit as prescribed for the current year. Permits should be displayed by September. If a permit is lost, there will be a \$5.00 replacement fee.
5. Speeding/careless driving, etc. on school grounds and on streets bordering the school is not permitted. Parents and police will be notified.
6. Parking in NO PARKING areas is a violation. It will be dealt with by the discipline code as defiance of authority. Subsequent offenses may result in the loss of driving privileges.
7. Sitting in cars during the school day is not permitted. You should not allow any student or non-student to use your car as a place to loiter. You are responsible to see that your car is locked and responsible for what is in it.
8. Students may not enter the parking lot during the school day without getting permission from the office. Students in the parking lot without authorization are subject to discipline, in accordance with the Portland Public Schools Handbook.

No parking permits will be issued until this form has been signed and returned to the Attendance Office. Student vehicles parked on campus must have a tag hanging from the rear view mirror. For the safety of everyone in the school, the vehicle will be considered unauthorized if a tag is not visible, and may receive a parking ticket from the City of Portland. If you drive another vehicle to school, transfer your registration tag to that vehicle or you may receive a ticket.

List of Potential Disclosures of Directory Information and Opt-Out Form

The Board may disclose appropriately designated “directory information” without written consent, unless the parent or adult student advises the Board to the contrary by filling out, signing and returning this form to the District.

The primary purpose of directory information is to allow the Board to include this type of information in certain school publications. The following is a list of uses for which the District commonly would disclose a student’s directory information:

Yearbook	School Awards
Website/Social Media	Honor Rolls/Academic Lists
Drama/Music Productions	Athletic Programs/Sports Activity Sheets
Graduation Programs	Newsletters
Class Lists	School Publications

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s or adult student’s prior written consent. In addition, two (2) Federal laws require the District to provide military recruiters, upon request, with three (3) directory information categories; names, addresses, and telephone listings – unless parents or adult students have advised the District that they do not want their student’s information disclosed without their prior written consent.

The district has designated the following information about each student as “directory information”:

- A student’s name;
- Major field of study;
- Participation in officially – recognized activities and sports;
- Height and weight, if a member of an athletic team;
- Dates of attendance;
- Date of graduation;
- Awards received;
- Honor rolls;
- Scholarships; and
- School photographs or videos of students participating in school activities; events or programs.

The Board will make the above information available upon a legitimate request unless a parent, guardian, or adult student has opted-out of provision of their information in some or all circumstances by filling out, signing and returning the Opt-Out Form or notifies the School in writing within 14 days from the date of this notification that s/he will not permit distribution of any or all such information. Directory information will not be provided to any organization for any profit-making purpose.

If you elect to opt-out of the above, please sign below, and return to the office of your child’s school.

If you do not wish to opt-out of any of the above common uses, you do not need to return this form or take any other action.

Consent for Disclosure of Immunization Information to Local and State Health Departments

Immunizations are an important part of keeping our children healthy. Schools and State and Local health departments must monitor immunization levels to ensure that all communities are protected from potentially life-threatening diseases and, if necessary, respond promptly to an emerging public health threat.

Sharing immunization and personally identifiable information including the students name, date of birth, gender, and address with local and state health departments will help to keep your child safe from vaccine preventable diseases. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, requires written parental consent before personally identifiable information from your child’s education records is disclosed to the health department. If your child is 18 or over, he or she is an “eligible student” and must provide consent for disclosures of information from his or her education records.

You may withdraw your consent to share this information in writing at any time.

I authorize Portland Public Schools to release my child’s immunization record to the Michigan Department of Health and Human Services and Local Health Department. I understand this information will be used to improve the quality and timeliness of immunization services and to help schools comply with Michigan law. This includes any immunization information and limited personally identifiable information from the school.
