June 15, 2021

Dear Parent/Guardian:

We are thrilled to announce that choir will be resuming this fall for Sussex Middle School students!

Enrollment will take place early in September of 2021 and there will be in-school announcements daily with additional details. There will be a brief audition for students in seventh and eighth grades consisting of a sample of a song of the students choice (or a simple folk song like "Twinkle, Twinkle Little Star"). Sixth grade chorus will be open to all incoming sixth graders. All auditions and sign-ups will take place during the first two weeks of school in September.

All students enrolled in chorus will still have the opportunity to participate in music class. There is no need to enroll earlier than September. If a student is enrolled in chorus, it will be added to their schedule and they will be pulled out of a class weekly during one of the following classes: Art, Music, Technology, Spanish, Physical Education or Health.

If you have any additional questions please direct them toward the choir director, John Potosnak ([jpotosnak@swregional.org](mailto:jpotosnak@swregional.org)).

Sincerely,

*John Potosnak*

John Potosnak  
Chorus Director
