

Welcome to KINDERGARTEN!

Starting school is an exciting time! Often, children enjoy shopping for their school supplies. Below you will find some things I would like each child to have for school. As with everything this year, PLEASE do not worry if you are unable to shop for the items on this list.

No child in this class will ever go without supplies!

All supplies will be collected and used as a classroom community.

Please do not send in any extra supplies for your child, such as mechanical pencils, little erasers that look like toys, individual pencil sharpeners, etc. They will kindly be returned home.
