

Requesting a Change of Name on Permanent School Records Parent/Guardian Form

Student Accounting

All students enrolled in Minneapolis Public School are required to have full legal name as the student's primary information. This name is used on the student's academic records and any statutory reporting. Legal name is required by Minnesota statute and MPS policy and should be verified by birth certificate or other legal documentation. If you need to request a legal name change you may complete the following and bring this along with appropriate documentation to your student's school of enrollment.

1) Complete the following student information.

Current Last Name: _____ First: _____ Middle: _____ Suffix: _____

New Last Name: _____ First: _____ Middle: _____ Suffix: _____

Student Id Number: _____ Birth Date of Child: _____

2) In the case of guardianship changes, please complete the following section.

Parent/Legal Guardian's Name: _____ Relationship to Student: _____

Address: _____

Parent/Legal Guardian's Name: _____ Relationship to Student: _____

Address: _____

- 3) Bring this form and copies of your legal documentation to the student's school of enrollment. In the event the name is changed by adoption or other court proceedings, the revised birth certificate or other appropriate legal document must be presented to change existing records.
- 4) The school will make copies of your documentation to send to Student Accounting to process the name change. Please note, legal name changes may take up to a week to process.
- 5) The students' display name for their email account will be updated with the students' legal name. However, the username/email address itself will not change. Please notify your school office if you wish to have these updated.

Official student records (transcripts, supplemental transcripts) should have student legal name.

**SCHOOL OFFICE: Send the completed form to Student Accounting at MARSS@mpls.k12.mn.us.
If the student wishes to have their username/email updated, please submit an eTicket with a copy of this form.**
