

High School Students

High School students who transfer from a foreign or a non- accredited school shall validate credits which apply toward graduation requirements [see FD]. Grades and/or credits earned from the validated examination(s) or sequential course(s) shall appear on the transcript and shall follow grade point calculations as described in EIC(LOCAL). Students shall not receive credit for home school courses taken concurrently while enrolled at a Clear Creek ISD school.

High School students who transfer from a non-public school may validate credits which apply toward graduation requirements [see FD]. Credits earned from non-public schools shall be subject to curriculum review and evaluation by the District in alignment with the Texas Essential Knowledge and Skills (TEKS) to determine if validation is required.

1. Demonstrate proficiency, on a district approved assessment. [see EHDB (LOCAL) and EIA(LOCAL)].

Credit by Examination will be awarded in each individual subject area per semester (1/2) credit. The cost of the examination(s) is the student’s or parent’s/guardian’s responsibility. All Credit by Examination courses must be approved by a school administrator or counselor. A secondary student assessed by Credit by Examination will be given adequate time to prepare for the test, particularly if multiple subject examinations are required.
