Annual Application for the
Establishment of a *Non-Curriculum
Related Student Group***

Prior to any meeting, students desiring to form or continue a non-curriculum related student group to meet on school premises must file this written request with the campus principal or designee.

The establishment of a non-curriculum-related student group and its meetings must be voluntary and student - initiated. Non-school persons shall not direct, conduct, control, or regularly attend activities of such groups. Neither the school nor any school employees may endorse or promote such groups and school employees or assigned Monitors may only be present at meetings in a non-participatory capacity. Meetings of non-curriculum related student groups may not materially and substantially interfere with the orderly conduct of educational activities within the school. Requests shall be subject to the approval of the principal and the Superintendent based on the availability of suitable meeting space and compliance with this policy [See FNAB(LOCAL) and FNAB(REGULATION).] No group shall be authorized that, by virtue of its purposes, goals, or activities, promotes, encourages, or condones, directly or indirectly, participation in any conduct by students that is classified as a criminal offense under Texas law, or that poses a risk to the health, safety, or welfare of students (including but not limited to sexual activity by minors). Failure of non-curriculum-related student groups to comply with the student code of conduct and CCISD core values may result in the loss of the right to meet on school premises and/or other sanctions as determined by the Superintendent or designee.
