

HYDROCEPHALUS Individual Health Plan

Name: _____	Birth Date: _____
School: _____	Grade: _____

Hydrocephalus: Hydrocephalus is an accumulation of “extra” cerebral spinal fluid within the brain. A shunt may be used to drain the excess fluid into the abdominal cavity.

EMERGENCY CARE PLAN

NOTIFY FAMILY IF ANY SIGNS OF SHUNT MALFUNCTION

MONITOR FOR SIGNS OF SHUNT MALFUNCTION:

- | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"> ✓ Irritability, agitation, or confusion ✓ Fussiness ✓ Dizziness ✓ Fatigue or excessive sleepiness | <ul style="list-style-type: none"> ✓ Decrease in motor skills or performance. ✓ Poor coordination (tripping/falling) ✓ Change in behavior ✓ Vomiting or decreased appetite ✓ Impaired vision |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

IN CASE OF HEAD INJURY:

1. Provide first aid and reassure.
2. Notify parent immediately
3. Document on head injury form and indicate the following specifics: where their head was hit, circumstances surrounding the fall, if loss of consciousness occurred, or any changes in neurological function such as confusion, speech changes, memory issues, and vomiting.
4. If student presents with concussive symptoms and parent is not available, call 911.

MEDICATION/TREATMENT ORDERS: Can be filled out by licensed health care provider; MD, DO, ND, DMD, DC, PA, ARNP, CNM.

IHP can be filled out by School Nurse based on BSD “Medication Authorization Form – 3416P Exhibit A” or other completed provider orders.

*In accordance with RCW 18.79.040, if a registered nurse is on site, they may utilize the nursing process, which includes assessment, specialized knowledge, judgment, and skill in determining plan of care or treatment.

Licensed Health Care Provider’s signature: _____ <i>Signature authorizes medication for length of school year</i>	Date: _____	Phone: _____
	School year: _____	Fax: _____

PARENT/GUARDIAN/STUDENT (age 18 and older) RESPONSIBILITIES:

- I will notify the school nurse of any changes in health status or healthcare provider instructions.
- If my student attends extended day/childcare, clubs before- and after-school, evening, and summer activities, I will notify the program director of my child’s medication and health care needs.

I agree to hold harmless and indemnify the school and Bellevue School District’s officers, employees, and agents against all claims, judgments, or liabilities arising out of any injury resulting from reasonable and prudent administration of medication, the reasonable performance of health care procedures, or the liabilities arising out of self-administration and self-carrying of medication by my student/me. BSD staff have been trained to assist with medication administration.

I accept this Individual Health Plan. My signature gives permission for exchange of information between the School Nurse and the Health Care Provider regarding this medication order.

Parent/Guardian/Student (age 18) signature: _____	Date: _____	Phone: _____

INDIVIDUAL CONSIDERATIONS:

Classroom:

- Teacher to inform substitute teachers of the student’s Individual Health Plan

Field Trip Procedures: If your student does NOT self-carry, medication and IHP will accompany student during any off-campus activity. Student who self-carry are responsible for their own medication.

School Nurse: Will notify teachers, other school staff, transportation, and nutrition services of student’s IHP

Please return to:

School Nurse: _____	Email: _____	Phone: 425-456-_____
		Fax: 425-456-_____
