Physical Education Pinny: The physical education department requires a PE uniform (shirt) that all students need to participate in physical education class. It is a reversible mesh Amity top which allows them to easily make black and white teams and students will keep it at the end of the year. They can use a sibling or previous year 'old' one. If you cannot afford a shirt, please see your physical education teacher or contact the school administration. Students select SIZE in school, when they try them on.

September 10th, 2024 is BACK TO SCHOOL @ 6:30pm!

Parents may come to the school at 6:00 for a brief tour of the building conducted by our student volunteers. The program is designed to provide you with information about our school, the middle school teaming model, and will give you a chance to meet some of the staff at AMSB. The information will help you better understand the middle school years and lay the foundation for a successful transition to Amity Middle School Bethany.

Hope to see you all there!

All the Best,

The Physical Education Department, AMSB
