

Parent volunteers can assist our elementary schools by:

1. Assisting with non-instructional tasks
2. Provide teachers with more time to work with students
3. Provide individual attention to students who need more one-to-one interaction
4. Read or be read to by students
5. Volunteers who do not have children in school must also be fingerprinted
6. Volunteers are to be supervised at all times when working with children
7. Volunteers must receive training to use die-cut or copy machines

Please remember that all adults are role models for our students. For more information, please contact your designated school site.

LANGUAGE TRANSLATION SERVICES

Language translation services are available for Parents/Guardians during meetings with school staff members. Parents/Guardians needing this service should inform the teacher or the school office staff. Requests must be made 10 school days in advance.

LOST AND FOUND

If a student loses any personal items such as a wallet, purse, jacket, or textbook, he/she should check with the lost and found. Please put names on clothing and personal items brought to school. All unclaimed items will be sent to charitable organizations at the end of each quarter.

Media Release - Local and State Publications and Social Media

We value and applaud our student successes. Opportunities may arise when a student is to be recognized for their outstanding achievement. Student's first name, last name and photograph may be released to the media only if written parental permission has been submitted. ***Note: If permission is not granted, your child will not be able to be included in any newspaper articles outlining accomplishments.***

MONEY

Students should never bring large amounts of cash to school. School personnel will attempt to locate any lost money, but the person bringing money to school is responsible for it. The school will not be held liable for missing or stolen money that a student brings to school.

PETS AND OTHER ANIMALS

For the safety of all students, please do not bring pets on campus, including during arrival and dismissal. Pets may NOT be brought to the classroom without prior permission from the principal. Animals cannot be transported by school buses. If a pet follows a student to school, the office will contact the student's home to arrange for pet pick up. If the parents cannot be contacted, then animal control will be notified.

SCHOOL ANNOUNCEMENTS

All MUSD elementary schools will communicate school activities, notes and calendars to parents on a regular basis. Students should recognize the importance of taking all notices home to their family.

The weekly or monthly newsletter (varies by site) is available on each school website. If you have provided the school with your email, please check this regularly for electronic communication.

SCHOOL PICTURES

A commercial company takes individual and group photographs in the fall and spring. Packets of color photos will be offered for sale to parents. Students may wear dress clothes for the fall formal pictures if staying within the appropriate dress code guidelines.

5-302 © STUDENT DRESS

The school district has the responsibility to promote the basic rules of sanitation, safety, neatness, and modesty while students are on campus. Students should dress in a manner that, in addition to the following guidelines, takes into consideration the educational environment, safety, health, and welfare of self and others. Students will not dress in a manner that disrupts the learning process. Each student must keep in mind that he/she is a representative of MUSD and the Maricopa community.
