Data Wise

Nassau BOCES is pleased to announce

Data Wise – 2023 Cohort

Adapted from the Harvard Graduate School of Education

The Data Wise Improvement Process:

- ✓ Expands the use of data and analysis to improve instructional practices and student achievement
- ✓ Incorporates protocols and meeting structures that will engage faculty in collaborative inquiry
- ✓ Improve efficiency of school-based data teams to work smarter, not harder
- ✓ Promotes evidence-based improvement cycles

An overview of the Data Wise approach to utilizing instructional data is available in November 2015 edition of *Educational Leadership*, Vol. 73, n. 3, [Eight Steps to Becoming Data Wise](#).

An informational meeting for principals to learn more about the Nassau BOCES Data Wise professional development course will be held on

May 5, 2022: 2:00 – 3:00 p.m.
ZOOM

The Data Wise course consists of two initial full day training sessions in August and a series of ½ day sessions throughout the school year:

- August 24 and 25, 2022: 9:00 a.m. to 3:00 p.m.
- September 29, 2022: 9:00 a.m. to 12:00 p.m.
- October 27, 2022: 8:00 a.m. to 12:00 p.m.
- December 1, 2022: 8:00 a.m. to 12:00 p.m.
- January 20, 2023: 8:00 a.m. to 12:00 p.m.
- March 17, 2023: 8:00 a.m. to 12:00 p.m.

Data Wise Teams: Training teams are to be school based teams consisting of three to four members which must include the school principal and two teachers - one additional administrator may be included as a fourth member of the team.

Cost per Team: The cost for each team is \$3,460. All books, training materials, and meals are provided. Districts that subscribe to the Platinum level of service for the Instructional Data Warehouse have one school-based Data Wise team included in their subscription.
