## How can you help?

### JOIN

Your membership helps us start the school year with operational funds and connects you to campus events and school community. Members receive a weekly email with up-to-date information on upcoming programs.

### VOLUNTEER

The best way to support our PTO is to volunteer at our events and programs. There are positions for both during and after school hours, with and without CAT II clearance. Look for these opportunities in our emails and your children's Wednesday folders. These events cannot happen without volunteers like you.

### ENGAGE

Participate in our PTO sponsored events by attending, donating, or volunteering. It's your engagement that ensures these programs are continued each year.
