

# Travis Elementary School

100 Fairfield Ave  
Travis AFB, CA 94535  
(707) 437-2070  
Lindsay Dalske, Principal

8/8/24

Dear Falcon Families,

Travis Elementary will continue our school-wide drive-thru pick-up for the 2024-2025 school year, as there is not adequate parking for all parents. The attached [map](#) provides a visual with directional arrows to show how the drive-thru process will run. I highly encourage families to sign their children up to be walkers, if your student is ready. Staff will cross all walkers at the crosswalk and students may walk towards the carwash and BX. The BX parking lot is approximately a 10 minute walk from campus.

If you are moving through the pick-up line, vehicles will turn onto Fairfield Avenue and drive to the end roundabout, similar to the morning drop-off. All vehicles will circle around back towards the parking lot and turn right into the lot. The drive-thru will loop next to the school fence adjacent to the basketball courts. All grade levels K-6 will be picked up at this location and siblings will be released together.

In your child's orientation packet you will find a brightly colored card with a number and your child's name. Please place this in the right hand corner of your windshield everytime you pick up. Staff will direct students to the appropriate gate when your vehicle drives-thru with their number/name card displayed. Students will be released from the gates along the basketball court fence. If you have multiple cars, please make copies of your number.

**TK families** - during orientation your teacher will show you your parking location. TK students will be walked as a class to the end gate, where parents will park and pick them up.

**Preschool families** - during orientation your teacher will show you your parking location in the bus loop. The bus loop will be utilized for both drop-off & pick-up for preschool.

We appreciate your patience as we begin the year. Your children's safety is our top priority so please follow the flow of traffic and wait in the drive-thru lane for your child to exit the gate. The drive-thru loading zone is on the right hand side next to the striped crosswalk. Vehicles exiting will stay to the left side of the yellow line.
