

their respective grades such that they are passing on a cumulative basis, they shall be reinstated to the teams or extracurricular activities until a subsequent check is performed unless ineligible for some reason other than academic performance.

- The eligibility criterion for extracurricular participation shall be a passing grade in all classes in which the student is enrolled, and the student shall maintain progress toward promotion or graduation.
- The responsibility for notification of students and parents of these requirements and for enforcement of the above rule rests with the Superintendent.

Students and the parents/guardian shall be notified of ineligibility in a manner such that confidentiality is maintained when:

- Ineligibility is pending.
- Ineligibility is determined to be necessary.

Support services shall be made available to students who become ineligible for extracurricular programs as well as to students notified of pending ineligibility.

- Students whose behavior presents a problem or jeopardizes school discipline may be ineligible for participation in extracurricular activities until such time as their behavior warrants reinstatement. The same general standards shall apply for special education students except that such eligibility shall be determined on a case-by-case basis in relation to the respective students' individual education programs.
- The Superintendent shall consult with and invite comment on this policy from parents and teachers and shall make recommendations to the Board regarding this policy, as necessary, after considering such comments. The Board, as a part of the procedure for adoption of this policy, shall hold a public hearing on the contents of this policy. A school district Governing Board, a charter school or an interscholastic athletic association of which a school district Governing Board or charter school is a member may not prohibit a pupil from wearing a religious or cultural accessory or hair piece while participating in an extracurricular or athletic activity if the accessory or hair piece does not jeopardize the health or safety of the pupil or any other person participating in the activity, as determined by the supervisor of the extracurricular activity or the officiant of the athletic activity.

The Superintendent shall establish regulations to ensure that:

- Necessary documents in support of this policy are maintained.
- Necessary data related to ineligible students are collected and reported as required by law.
- The cultural traditions of students are considered when establishing or enforcing rules related to participation in extracurricular activities.
- The requirements of this policy are met.

The Superintendent may develop additional rules or procedures for the property conduct of extracurricular programs and the implementation of the provisions of this policy.

## **SCHOOL PROPERTY**

Furnished textbooks/technology, library books, athletic uniforms and equipment are the student's responsibility. If school property issued is lost, stolen or damaged, the student will be expected to pay for the replacement. Students are encouraged to pay these charges with cash, check or money order. In cases of hardship, students may be allowed to arrange a payment plan. Under Arizona law, parents are liable for damage done to school property by their children.

## **STUDENT COUNCIL**

Student Council is an important part of the school. Student Council is an organization through which the students may express their opinions and assist in the functions of the school. Student Council promotes leadership and initiative. A president, vice-president, secretary and treasurer of the student body are elected to represent the student body during the school year. Grade level representatives are elected to the council. Groups and individuals who wish to sell products on campus must be officially recognized school organizations, and must have the sale approved by the student council. All funds collected must be deposited in the school's student funds account.
