

- MUSD will uphold current State policy regarding immunization and enforcement. Parents will receive education by the health staff regarding the risk of not immunizing and the health effect to the learning community.
- MUSD will create, strengthen or work within existing school health advisory councils to develop, monitor, review and revise the Local Wellness Policy. The School Health Advisory Council (SHAC), which will consist of all USDA required participants, including teachers of physical education and school health professionals, will serve as resources to school sites for implementing these policies.

STAKEHOLDER INVOLVEMENT

- MUSD will establish a School Health Advisory Council (SHAC) composed of parents, students, administrators, a member of the school board, community member, physical education instructor, nurse/ school health professional and representative from the school food authority to review the local policy development process. These individuals can register their concerns and recommendations within the district.
- The SHAC will meet annually during early implementation of policy and assessment of policy. On each school campus, schools shall establish a plan for implementation including principal designation of one or more individuals to ensure compliance with standards of MUSD wellness policy. Additionally, the public will have an opportunity for input at that time. Participants assessing the policy, date of assessment and documentation of any revisions will be noted.
- The Director of Food and Nutrition will prepare an annual report on the district's compliance with the law and policies related to the wellness policy.
- The activities of the SHAC will be reported to the school administration periodically.

LOCAL DISCRETION

As long as all the required elements are present, MUSD wellness policy shall be tailored to fit the needs of our students.

PUBLIC NOTIFICATION

MUSD shall inform and update the public (including parents, students, and others in the community) about the content and implementation of the local wellness policy. Public notification will include parent/student handbook, district website, and parent night/open house. MUSD will develop a process for members of the community who are not able to be a part of the committee, who wish to have input in the wellness policy development process. These individuals can register their concerns and recommendations with MUSD.
