

MIDDLE SCHOOL ELIGIBILITY

In grades six through eight, to meet the eligibility criterion for extracurricular participation, the student athlete must have a minimum GPA of 2.0 and be passing ALL classes, no failing grades. Eligibility grading period, for the middle school level, will be at EVERY four and one-half weeks (progress reports and end of quarters). The student athlete will be notified of eligibility status by their respective coach in a manner such that confidentiality is maintained when eligibility is pending or ineligibility is determined to be necessary. If a student is below a 2.0 or is failing a class at any grading period, the student athlete will become ineligible for a minimum of one week. During this period of ineligibility students:

- May practice with the team;
- MAY NOT travel or play in any competitions or events (home or away).

After improving their respective grades such that they have a 2.0 and are passing ALL classes on the subsequent grade check, they shall be reinstated to the team until a subsequent check is performed. If the student-athlete's grades drop below 2.0 or one class is a failing grade, they will again be ineligible for a minimum of one week. MUSD Policy 5-213
