Principal Message

Thank you parents for sending me your first day of school pictures. I will be posting on FB Monday just in case you wanted to send them to me over the weekend. We have been receiving positive feedback regarding parking in the front before 2:15. It was a goal of mine this year to accommodate our walk-up families as much as possible based on the feedback from last year. I am so happy to hear this system is helping! Please continue to park in the parking lots in the front prior to 2:15 if you are walk-up while avoiding bus bay. Have a wonderful weekend!
