

District Cell Phone Policy 2024-2025

- **District BOARD POLICY** (p.55) voted into effect regarding possession and use of Cell Phones and other devices
- Highlights:
 - The district permits students to possess personal cell phones for safety purposes; however, these devices must remain turned off during the instructional day,
 - ...these devices must remain turned off during the the instructional day ... unless they are being used for approved instructional purposes.
 - This 'USE FOR APPROVED INSTRUCTIONAL PURPOSES' requires a permission form *"Students must also sign a user agreement that contains applicable rules for use (separate from this handbook"* and SGHS is NOT going to manage these user agreements
 - So, NO CELL PHONES
 - Without such permission, teachers will collect the items and turn them in to the principal's office.
