Alignment Needed with Other Student Goals

Student Goals

Improve academic performance at challenging levels

Close the achievement gaps through an equity lens and research-based instructional & intervention practices

Expand student-centered and real-world learning experiences

Promote intellectual curiosity, critical thinking, and problem-solving in order to be prepared for college and career

Increase student engagement in their school and community

Create a safe and inclusive climate that promotes relationships, involvement, diversity, and our values

What is College and Career Readiness?

College/Career Readiness Calculation

Methodology for measuring performance on College/Career Readiness.

This measure is based on the number of high school graduates who are prepared for college or a career. College or career readiness means completing rigorous coursework, passing challenging exams, or receiving a state seal. The following measures are approved as indicating college or career readiness:

- Career Technical Education Pathway Completion
- Grade 11 Smarter Balanced Summative Assessments in ELA and mathematics
- Advanced Placement Exams
- International Baccalaureate Exams
- College Credit Course (formerly called Dual Enrollment)
- a–g Completion
- State Seal of Biliteracy
- Military Science/Leadership

Proposed Draft LCAP Goal

Provide students and their families/guardians with transition planning resources and options for pathways towards post-secondary and employment opportunities.

Thank You!

Appreciation

Thank you, Tammy!
