Greetings Prospective Culinary Student,

It's a pleasure to welcome you to the Culinary Arts department at the Butler County Area Vocational-Technical School. Your decision to become a member of our program reflects an impressive sense of dedication—an essential character quality that will certainly enhance your career. To ensure your success at BCAVTS, we are providing this information for your scheduling and financial planning purposes for the 2024 - 2025 school year.

As chefs, providing food to the public comes with a substantial amount of responsibility. We maintain ambitious standards and expectations for all students enrolled in the Culinary Arts department. This program—like all reputable restaurants, foodservice facilities, and culinary schools—adheres to a strict uniform policy reflecting guidelines established by the American Culinary Federation. The standard uniform consists of the following elements:

Hair Restraint: Skull Cap or Chef Hat

Chef Coat: Red Chef Coat

Chef Pants: Black & White Striped Chef Pants

Apron: White Standard Bib Apron

Shoes: All-Black, Non-Skid Shoes

Bimetallic Pocket Thermometer

Pocket Notebook

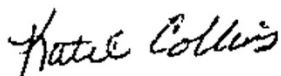

Students are obligated to acquire a full uniform, including **TWO** chef coats for an approximate cost of \$120 including shoes. The instructors will send ordering information home once the school year starts. **STUDENTS DO NOT HAVE TO HAVE UNIFORM TO START THE SCHOOL YEAR!**

We are extremely excited about the new school year and look forward to meeting you. If you have any questions, comments, or concerns please contact us via the information below.
