Bonham Middle School Parent Engagement Policy and Compact 2024-2025

Parent & Family Engagement (PFE) Program	
What is it?	<p>Bonham Middle School is committed to our mission: Bonham Middle School will foster a positive and effective learning environment by establishing structured systems of collaboration and communication that ensures all students receive high-quality instruction in every classroom as a means to encourage life-long learning.</p> <p>One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.</p>
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the needs of the PFE Program.
Family Meetings	<p>Parent Meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the auditorium. You can enter through the main entrance. The information is the same for both coordinating meetings and will be offered both in person as well as virtually via Zoom. Different meeting times are offered for family convenience.</p> <ul style="list-style-type: none"> ❖ Face to Face- 5:30p- 8/6, 8/7, 8/8, 8/22, 9/19, 10/24, 11/14, 12/12, 1/16, 2/20, 3/20, 4/24, 5/22 ❖ Virtual- 6p- 8/30, 9/27, 10/25, 11/15, 12/13, 1/17, 2/21, 3/21, 4/24, 5/22

Curriculum	Bonham Middle School utilizes a high-quality curriculum that supports student success.
Forms of Academic Assessments	Bonham Middle School has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment. MAP assessments are given three times per year to determine the student’s individual measurement of academic proficiency. Unit assessments are provided by TEKS Resource System which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.
Expected Achievement levels on academic	Bonham Middle School tracks each child’s growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their own learning growth.
