Susan Sutton	Animal Antics	PP, 1st Grade, 2nd Grade, 3rd Grade, 4th Grade	Wednesday, Thursday	\$500	Each week, we will have the exciting opportunity to meet a new animal friend and learn all about it. We will explore its habitat, habits, and characteristics through books, films, and hands-on experiences. This interactive approach will help the children become comfortable and familiar with new kinds of animals. From a hedgehog to an axolotl, a beautiful parrot, and many friendly reptiles and mammals, each visit will be a memorable experience. A photo of each student will be taken with our animal visitor, and a booklet containing these cherished photos will be shared with parents and students after our last class. After-school snacks are provided.
