

2024 English 7 Summer Reading Assignment

Dear Incoming 7th Grader,

Practicing reading is *fundamental* to improving your reading—that is, the more you read, the better you get. **Therefore, students entering 7th grade at the East Islip Middle School in September must read a fiction novel of their choice and complete the notes page.** In September, you will complete an in-class writing assignment based on your summer reading work.

This is an opportunity to choose a book that interests you! You can find any appropriate book at the local library or using the Sora app on Classlink with your EI Public Library card barcode. There is no need to purchase the book you read. If you have any questions, please call Dr. Anderson, Director of Humanities (631) 224-2078.

Have a wonderful summer!

Sincerely,

Ms. Menchise, Ms. Parasimo, Mr. Fussa
