The scope and sequence of *Christ In Us Kindergarten* has been developed to provide students with readiness for future catechesis, evangelization and living the faith. The program is systematic and intentional with Christ at the heart of each lesson. The *Christ In Us* blended approach uses rich traditional print resources along with digital tools and resources promoting engagement and communication as well as providing a variety of choices for catechesis. The students encounter, accompany, and witness their Catholic faith through prayer, faith-focused “essential questions”, Bible stories, celebrations of the liturgical seasons and traditions, Saints lives, songs, videos and activities.
