FAMILY CENTER

WHO WE ARE

We provide three different programs that focus on supporting students and families.

OUR PROGRAMS

Migrant Education Program

- We work to support high-quality education and reduce barriers for migrant students
- Ensure that migrant students who move across states are not penalized for graduation
- Help migrant students prepare for the workforce or college

21st Century Grant

- Support the creation of community learning centers
- Provide academic enrichment opportunities outside of school hours
- Help students meet state and local academic standards in core academic subjects

Families in Transition Program

- Support for Students in Foster Care (Every Student Succeeds Act)
- Support for students/families in transition (McKinney-Vento Homeless Assistance Act)
- Services include: enrollment support, academic support, transportation (if eligible), school supplies, free school meals, tutoring, tutoring, and counseling
