

SNAPSHOT OF OUR STRATEGIC GOALS

Academic Achievement

Ensuring growth through high expectations, rigor, essential standards, agency, and dignity as the drivers for academic success for each learner.

Community Partnerships and Connections

Forging and fostering meaningful, collaborative relationships with families and our community to support and empower students with a sense of agency and dignity.

Whole Child

Cultivating social-emotional skills for students to self-advocate and self regulate in navigating challenges and forming meaningful connections, through an environment that develops and honors their agency and dignity and that of others.

Student Support Systems

Ensuring each student has equitable access to systems that leverage the power of our collective expertise to support strong core instruction developing agency, ensuring dignity, and achieving individual academic growth.

MISSION

In strong partnership with our families and community members, Orting School District will engage and develop the unique interests and talents of every learner as they apply their education in creative and inventive ways. Through high expectations and relevant opportunities to learn and grow in a caring, supportive environment, we will ensure each of our children feels connected, inspired and empowered to create a better present and future!

CORE VALUES

- We foster high expectations, continuous growth and high achievement.
- We understand and cultivate unique needs and interests of learners
- We embrace a culture of creativity, exploration and innovation to sustain our growth and improvement
- We commit to removing barriers to learning to ensure our schools are inclusive and equitable
- We believe ongoing communication, collaboration and community engagement are essential

VISION

In an environment of high expectations with high levels of support, we desire to have each of our students:

- Make personal meaning through creation, exploration and invention
- Engage in meaningful, relevant learning, leading to deeper understanding
- Believe their success makes a difference and their goals matter
- Connect through meaningful relationships where they are heard, seen and loved by others

BY THE NUMBERS

- 2,800+ students (*as of March 2024*)
- 160 certificated staff
- 2 elementary and 2 secondary schools
- 4 enrichment days per year
- 18 - average elementary class size
- 88.6%+ graduate rate since 2018

WHAT SETS US APART?

- Committed to elevating students' and staff's voices
- Emphasis on providing equitable, social-emotional student resources
- Strong focus on professional development
- Teacher mentoring program
- Community service mindset
