

Week of August 12, 2024

Kindergarten Newsletter

Learning Goals

Letters/Letter Sounds to Practice: This week we will practice writing the letters in our name.

High Frequency Words to Practice: This week we are learning how to read and spell the words **I, a, to, the, can**

Phonics: This week we will learn how to blend (put together) and segment (take apart) sounds.

Reading: This week we will learn how to engage in reading activities with purpose and understanding by participating in read alouds and naming the characters and settings in the book.

Writing: This week we will learn how to answer a question about something we read by drawing a picture or writing a word in response.

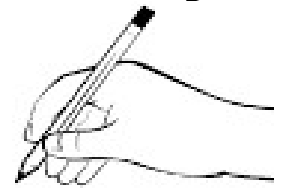

Social Studies: This week we will learn how to describe where we live by naming the country, state and city that our home is in.

Math: This week we will learn how to count objects by practicing how to touch and move an object and saying the correct number name.

At

Home

- ✓ Practice writing your name.
- ✓ Practice holding a pencil using the correct grip.

Reminders

August 29, 2024 - Curriculum Night 6:00pm to 7:30pm

Please only send your student to school with water in their water bottle. Thank you!
