Have you ever served in any leadership positions? List and explain up to three examples.

What three qualities do you think are necessary to be a good leader and why?

Please explain up to three qualities or talents you would bring to our student council.

What's a new and original idea you have for a spirit dress up day?

Give an example of a time where you had to work on a team to complete a project?

We will be meeting every Wednesday at 7:30am - 8:15 am in room #209.

Qualities necessary for any member on student council are:

Leadership Skills – Are you willing to lead committees and be a representative of Aprende?

Creativity – Are you able to think of new and exciting activities for student council?

Communicative –Are you able to share ideas with other student council members? Your grade level? The rest of Aprende?

Team Player – You could be working with the council to generate ideas and organize events for student council.

Responsibility – You may be responsible for running activities throughout the school and you MUST be reliable.

Commitment –This is a year-long activity and if you volunteer now, you will be expected to come to all meetings and student council events for the remainder of the year. In addition to weekly meetings, some additional mornings or evenings may be required based upon scheduled events planned by student council. Again, please note, we will be busy. If you already have a packed schedule, student council might not be a good choice for you this year.

Academics – Students must maintain passing grades, C or higher, at all times. Grade checks will be regularly conducted.
