

MILITARY PATHWAY

Students who wish to join a military branch after high school can use their high school experience to help develop skills & earn credits for military advancement

Name: _____ 's Cheney High School Course Plan

Using the [Cheney High School Course Plan](#), the **Pathway Plans on the back of this sheet**, and your transcript as a guide, complete the chart below by adding the course title and code for required courses you have taken, the grade you earned in the course, and write in courses you will take in the future to reach your goals both to and beyond graduation. If there are already courses in the box, circle or highlight which one you would like to register for. You will need a completed plan with guardian signature to move to the next step of registration. Return this sheet to your Advisory teacher.

After high school, I currently plan to...					See Next Page for Pathway Elective Recommendations				
2 Years of the Same World Language is <u>highly recommended</u> for post-secondary education -- most 4-year colleges require World Language.									
	Language Arts (ELA)	Health/Fitness		Math	Science	Elective	Elective	Elective	Elective
9	LA 9 or Pre-AP LA 9	Health PE121	Fresh. Fit. PE101	Algebra I or H. Geometry	Biology or Pre-AP Biology

MILITARY PATHWAY

Students who wish to join a military branch after high school can use their high school experience to help develop skills & earn credits for military advancement

MILITARY BRANCH RECOMMENDATIONS

FITNESS

When preparing for the military, it is **highly recommended** to remain in a healthy physical condition to be prepared for future trainings/bootcamps.

As you create your plan for high school, it is recommended to space out fitness courses throughout your plan to remain in a healthy physical condition.

ASVAB TESTING

The ASVAB test for Armed Services includes four sub-tests: Arithmetic Reasoning (AR), Mathematics Knowledge (MK), Paragraph Comprehension (PC), and Word Knowledge (WK).

IMPROVING RANK/PAY

When entering the military, earned college credits can improve your Rank/Pay within the Armed Forces. Many of the courses at CHS offer college credit opportunities that can possibly be used in your military future. Look for the icon or AP with courses for options.

CHS RELATED COURSES

Although we do not provide courses that are dedicated to the pathways for the Military, many of our courses at CHS relate, including:

- Government or Honors Government
- H. Business Communications
- H. Business & Media Writing
- Microsoft Office Industry Certifications
- PSYC 100 Psychology

LAW, GOVERNMENT, & PUBLIC SERVICE

FITNESS

When preparing for public service, it is **highly recommended** to remain in a healthy physical condition to be prepared for future trainings/bootcamps.

As you create your plan for high school, it is recommended to space out fitness courses throughout your plan to remain in a healthy physical condition.

LAW/GOVERNMENT RELATED COURSES

Although we do not provide courses that are dedicated to the pathways for Law and Government, many of our courses at CHS relate, including:

- Government or Honors Government
- H. Business Communications
- H. Business & Media Writing
- Microsoft Office Industry Certifications
- PSYC 100 Psychology

CTE CLASSES

GRADUATION REQUIREMENT:
