Name: _____ 's Cheney High School Course Plan

Using the [Cheney High School Course Plan](#) the [Pathway Plans on the back of this sheet](#), and your transcript as a guide, complete the chart below by adding the course title and code for required courses you have taken, the grade you earned in the course, and write in courses you will take in the future to reach your goals both to and beyond graduation. If there are already courses in the box, circle or highlight which one you would like to register for. You will need a completed plan with guardian signature to move to the next step of registration. Return this sheet to your Advisory teacher.
